

Federated
**Health
Charities**

Dear **DONOR/ORGANIZATION NAME**

I wanted to send a special note to personally recognize your generosity and commitment to this year's 39th Anniversary Federated Health Charities campaign.

Each year, Ontario government employees participate in the Federated Health Charities campaign, a fundraising and health awareness campaign that provides valuable support for 21 health charities, such as the Canadian Cancer Society, Heart & Stroke, and the Alzheimer Society.

The money raised in the campaign is used to fund vital research, develop innovative health education programs, and provide essential patient services. Federated Health Charities has raised over \$51 million in its 38-year history with thousands of public servants volunteering their time and tens of thousands making donations.

The support of community businesses through contributions of goods, certificates, or monetary donations allows employees to run events to raise funds for the cause and is an important factor in the campaign's success.

Your gift of a **GIFT DESCRIPTION (ex. baseball tickets)** to the **MINISTRY NAME (ex. Ministry of Finance)** **EVENT NAME (ex. online auction)** supported us in running a very successful event that brought us one step closer to reaching our fundraising goal which will allow us to give generously to the hundreds of thousands of people living with one of these debilitating illnesses.

Thank you so much for your support and for working with us to invest in the health of our community.

Sincerely,

YOUR NAME
