Welcome to Federated Health Charities

For healthier communities!

PROVINCIAL EMPLOYEES CARING FOR OUR COMMUNITIES

Federated Health Charities was founded by Ontario Public Service (OPS) employees in 1983 to raise funds for health charities in Ontario.

Beginning with fundraising for the Canadian Cancer Society and Heart & Stroke, the annual Federated Health Charities campaign has grown to be one of Canada's largest and most successful workplace giving campaigns.

Today, we proudly support 21 trusted charities that provide care and hope to people across Ontario living with serious illnesses and life-changing health conditions.

Our campaign thrives because of the incredible generosity of provincial employees and the commitment of thousands of volunteers in workplaces across Ontario. Together, they unite communities, inspire giving, and make a lasting impact for people in need. Year after year, this collective effort turns compassion into action, supporting vital health charities that change lives.

Since 1983, Ontario's provincial employees have raised nearly \$60 million to improve the health of our communities—a legacy of caring for our friends, neighbours, and fellow Ontarians that provincial employees can be proud of!

YOUR DOLLAR AT WORK: FROM IMPACT TO ACTION

Every gift makes a difference—and here's how.

Our 21 health charities work together to fund campaign expenses, ensuring that your donation goes where it matters most. Thanks to thousands of volunteers from the OPS, OPP, and provincial agencies, we keep costs low and maximize impact.

Provincial employees support the campaign in many ways: by donating, volunteering, participating in events, and purchasing lottery tickets. Every contribution counts.

Federated Health Charities processes all funds raised during the campaign - whether through payroll donations, one-time gifts, silent auctions, bake sales, lottery ticket sales, events and initiatives.

And here's the best part: every dollar donated goes directly to our 21 charities to fund programs and services that change lives. We do not keep any of the money we receive. Your generosity becomes care, support, and hope for people across Ontario.

100% of your donation goes directly to the charities

That is our promise to you.

Making your pledge is simple. You can complete the attached payroll pledge form and return it to a campaign volunteer, or choose one of these easy ways to give.

If you are on the WIN payroll system:

1. Log in to your WIN Employee Self Service Page & click the "Charitable Donations" option.
2. Click the "Federated Health—Enter New Deduction" option & select the "Add Deduction" button.
3. Click the magnifying glass for the list of charities and enter the charity or charities that you wish to support in the Federated Health Charity field, the amount to be deducted per paycheque, and the number of pays for which the deduction will apply.
4. Select the "Submit" button.

To donate to more than one Federated Health charity, repeat Steps 2-6. To donate to all charities, select "Federated Health Charities All" in Step 3. To automatically renew your pledge each year, leave the "Number of Pays" field blank.

If you are on a different payroll system:

1. Go to <https://federatedhealth.ca/wp-content/uploads/2024/12/2025-Donation-Form-Electronic-Fillable.pdf> and fill out the electronic form, selecting the charity or charities you want to support, and adding the amount of your donation.
2. Save a copy of your completed form and email the form to your campaign treasurer or volunteer.

If you have questions about donating online, filling out the donation form or need help contacting your campaign treasurer, please email us at Federated.Health.Charities@Ontario.ca.
