### What Do Donor Dollars Fund

Federated Health Charities partners with 21 health charities, helping people affected by serious illness and life-changing health conditions in communities across Ontario, to:

- Fund research into better treatments and cures
- Raise awareness and education programs to help people live healthier lives
- Support programs and services for people across Ontario who are affected by serious illness and life-changing health conditions.

## How Our Charities Can Support Your Campaign

Each charity supports Federated Health Campaigns by arranging guest speakers to attend campaign events. Guest speakers can share the personal impacts of Federated Health funding and are very impactful. Consider including a guest speaker at any/all campaign events, including campaign launches, lunch n' learns, health fairs, team meetings and/or campaign wrap events. To request a speaker, complete [Request for Charity Representative/Speaker – Fill out form](#).

Alternatively, each charity has recorded a video that includes personal anecdotes and information about Federated Health's role in each organization. These videos can be found in our video vault at <https://federatedhealth.ca/videos/>.

Each of our charities has a [profile page on our website](#) which shares further details about the work they do and the people they support. Federated Health also has a collection of [profile blogs](#) on our charities as well, that you can cut and copy into your communications.

## How We Choose What Charities to Support

Federated Health conducts an annual review of our charity list to assess for any gaps. This review considers who our donors have expressed wanting to see on the list, whether there are any communities being underserved by our charity list, and what pressing health needs there are in our communities.

## How Much of a Donation Goes to the Charity

100% of a donation goes directly to the charity.

## Who Do the Charities Serve

All our charities serve the entire province of Ontario and all its communities.

## Where Can You Direct Your Donation

Donations can be directed to the charity of your choice or can be split amongst them all. You choose how much you want to give to each charity. Donations cannot be directed to specific local chapter of the charity.
