Subject: Welcome to the 2025 Federated Health Charities Campaign!

Dear Team,

Welcome to the **2025 Federated Health Charities campaign!**

For more than 40 years, Federated Health Charities has partnered with provincial employees across Ontario to raise funds for **21 health charities** that deliver health education and awareness, support ground-breaking medical research, and provide vital services to people in our communities. Every spring, volunteers from across **(MINISTRY/AGENCY NAME)** donate their time, skills, and creativity to make the Federated Health Charities' Campaign a success.

Last year, we raised **(INSERT TOTAL RAISED BY MINISTRY/AGENCY IN 2025)** to help improve health and quality of life for Ontarians. This year, we're aiming even higher—and we need your support to make our campaign the best yet!

Please join us in the health awareness activities we've planned and be generous when your volunteer canvasser visits.
