

## Template: Canvassing Email – Paper Pledge Forms

**Subject:** The 2026 Federated Health Charities campaign is underway—and we need YOU!

Every year, this campaign brings together thousands of Ontario public servants to raise funds for **21 health charities** that provide life-changing services, fund ground-breaking research, and deliver vital health education across our province.

This year, the need is greater than ever. Rising costs and surging demand for healthcare have put incredible pressure on the charities and the people who rely on them. **Your donation can make a real difference.**

✓ **100% of your contribution goes directly to the charities—no administrative fees.**

✓ **Even \$2 per pay period can help fund:**

- Innovative research on heart attack and stroke in women
- Summer camp for kids undergoing cancer treatment
- Support services for people living with liver disease

### **Making a pledge is easy:**

1. Go to [Campaign Resources - Federated Health Charities](#)
2. Select "Donations Form Electronic Fillable" and select your preferred language (English or French).)
3. Fill out the form, selecting the charity or charities you want to support, and adding the amount of your donation,
4. Save a copy of your completed form
5. Email a copy of the completed form to your campaign Treasurer at [\(insert Treasurers email\)](#).

**Every dollar counts. Every pledge matters. Together, we can create healthier communities across Ontario.**

Thank you for supporting Federated Health Charities and the health of our communities!
