

Federated  
Health  
Charities

## Template: WIN Users - Canvassing Email

**Subject:** The 2026 Federated Health Charities campaign is underway—and we need YOU!

Every year, this campaign brings together thousands of Ontario public servants to raise funds for **21 health charities** that provide life-changing services, fund groundbreaking research, and deliver vital health education across our province.

This year, the need is greater than ever. Rising costs and surging demand for healthcare have put incredible pressure on the charities and the people who rely on them. **Your donation can make a real difference.**

**100% of your contribution goes directly to the charities—no administrative fees.**

**Even \$2 per pay period can help fund:**

- Innovative research on heart attack and stroke in women
- Summer camp for kids undergoing cancer treatment
- Support services for people living with liver disease

**Making a pledge is easy:**

1. Log in to **WIN** via MyOPS intranet.
2. Go to **Charitable Donations WIN** and select “**Set-up Federated Health**”.
3. Click “**Add Deduction**”.
4. Choose “**Federated Health Charities All**” or select individual charities.
5. Enter your donation amount and number of pays (leave blank to auto-renew).
6. Click “**Submit**”.

**Every dollar counts. Every pledge matters. Together, we can create healthier communities across Ontario.**

Thank you for supporting Federated Health Charities!
