Subject: Be Part of Something Big – Join Our Federated Health Charities Team

Founded by a small group of Ontario public servants in 1983, the Federated Health Charities campaign has raised more than **\$59 million** to fund health education and awareness, ground-breaking medical research, and essential services for people across Ontario.

As we look ahead to our **2026 campaign**, the support of Ontario's public servants is needed now more than ever. Last year, [\(insert ministry/agency name\)](#) raised [\(insert ministry/agency total raised in 2025\)](#). This year, we're determined to surpass that achievement—and our first step is building a strong campaign team.

We already have an incredible group of volunteers forming our core team, but they can't do it alone. We're looking for enthusiastic volunteers to:

- Represent the campaign in your workplace
- Assist with canvassing and lottery ticket sales
- Help organize events and activities
- Promote the campaign on social media and internal channels

Joining the Federated Health Charities campaign is an excellent opportunity to network with ministry colleagues while developing leadership, relationship-building, and project management skills—all while making a real difference in communities across Ontario.

If you have staff members who would be interested, please share their names with [\(insert Chair\(s\) name\(s\) and email address\(es\)\)](#) as soon as possible.

Thank you for your support in this important initiative!

Warm regards,
[\(Executive Lead name\)](#)
2026 Federated Health Charities Campaign
